Dear Student,

Those students who have passed all Semester (Core Subjects + One Elective Subject) can submit brief synopsis with three topics for thesis on the subjects of their choice related to Planning. Each topic should be supported by a short write up neatly typed in double space indicating broadly about: need of the study, objectives, scope and limitation for approval from ITPI.

Submit three copies each for the above mentioned thesis topics.

It may further be informed that those student who have not completed the total examination within 8 years (i.e. from the date of registration as a student for taking Associateship Examination) needs to register as fresh candidates.

Yours sincerely,

(R. Biswas)
