# ITPI - MAHARASHTRA REGIONAL CHAPTER (MUMBAI)

## 1. ORIGIN

The decade of 1960 witnessed a number of pioneering and significant developments in the field of urban and regional planning in Maharashtra, like release of the Gadgil Committee Report on the planning of the Mumbai Metropolitan Region; enactment of the Maharashtra Regional and Town Planning Act, 1966; constitution of the Regional Planning Boards for Mumbai Metropolitan Region, Pune

Metropolitan Region, and Nagpur Metropolitan Region; declaration of Navi Mumbai as a new town under the draft Regional Plan for Mumbai Metropolitan Region; and swift government action of notifying lands for compulsory acquisition and appointment of City and Industrial Development Corporation (CIDCO) as a New Town Development Authority for Navi Mumbai. These actions triggered a widespread interest and enthusiasm amongst development authorities, academics and planning community about urban and regional planning as means of achieving planned urban growth of Maharashtra.

It in this background that, in 1969, a dozen town planners from Mumbai, led by Shri. S. H. Godbole, former President ITPI (1971-1972), a leading practicing architect and town planner of Mumbai, Dr H. D. Kopardekar and Shri. R. P. Khanvilkar, who were members of the Institute of Town Planners, India (ITPI), approached the Council ITPI to establish a Regional Chapter of the Institute at Mumbai. On being formally resolved by the ITPI, the Regional Chapter was inaugurated on 26<sup>th</sup> March 1970 at the hands of Shri. P. G. Kher, the then Minister of Urban Development, Government of Maharashtra at a function held at the Institute of Engineers, Mumbai.

## 3. MRC (MUMBAI) EARLY YEARS

The launch of Navi Mumbai project by CIDCO in 1970 was followed in 1973 by constitution of Pimpri-Chinchwad New Town Development Authority (PCNTDA) as recommended in the Pune Regional Plan. Following Navi Mumbai's model of

green-field development close to existing cities, the Government of Maharashtra, notified New Aurangabad, New Nashik and New Nanded and appointed CIDCO as a Special Planning Authority. In 1975, Government of Maharashtra established Mumbai Metropolitan Regional Development Authority (MMRDA) to plan, finance, coordinate and implement projects of regional significance. Apart from engaging in financing and coordination of development of housing and infrastructure, MMRDA undertook planning and development of Bandra-Kurla Complex and other District Centres. Creation of new planning organizations and planning at regional as well as micro-level by them, created new opportunities for town planners. The number of town planners increased from mere 25 at the time of establishment of the Maharashtra Regional Chapter (Mumbai) to about 250 in mid-1980s.

Despite its meager resources, the MRC held its regular meetings and conducted many activities. In the absence of any fixed office space, it used to manage its professional activities from the office-bearers' offices or by obtaining space for the occasion on complimentary basis.

**Glimpses of "Town Planning Exhibition" held at Sir J. J. College of Architecture" by MRC (Mumbai), in February 1973**

These activities took place in Mumbai, Navi Mumbai and Pune. It was, however, realized that unless the MRC (M) had its permanent premises for its functioning, it was difficult to expand its professional activities. For some time, the MRC (M) considered the option of tying up with another institution in Mumbai and leasing some space by making capital contribution. The idea was given up as it did not befit the MRC's long-term vision. The scarcity of land and its very high prices made it

near impossible to find land or building space in Mumbai for MRC (M). The affords, however, continued through 1980s.

#### 4. MEMBERS OF THE MRC

## 7. MRC BUILDING AT NAVI MUMBAI

In the efforts to secure permanent premises for the Chapter, Maharashtra Regional Chapter (Mumbai), the break came in when the search for land led the MRC (M) to Navi Mumbai, the fast developing new city across Mumbai's harbour. Through efforts of planners in CIDCO, namely Shri Suresh Gogte and Shri Datta Parab, a plot of 1,000 sq m plot No. 100 in Sector-15, of CBD Belapur, Navi Mumbai was allotted to the ITPI on 17th Aug 1993, at the cost of Rs 8.00 lakh. As the MRC (M) was not having the funds, Prof. Dr. D. S. Meshram, the then President, ITPI encouraged the MRC (M) to procure the land by giving the liberal grant for the purchase of land from ITPI HQ. Shri M.S. Belekar, offered his architectural services without charging any fee. He designed the building

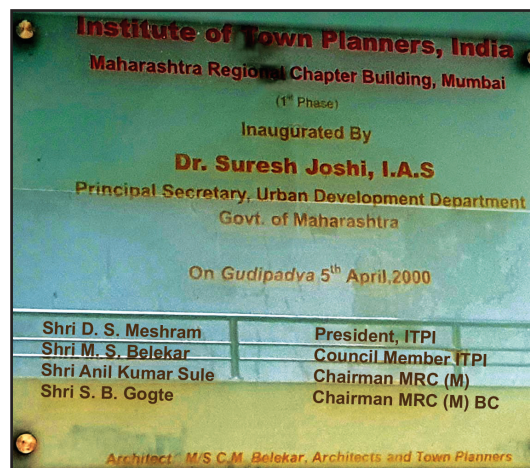

as basement and 3 upper floors. However, when the cost-estimates were prepared it was decided to delete the basement on cost consideration. Instead, stilts were proposed for parking on part of the ground floor. Later, CIDCO permitted adjoining land under electrical lines for open use (garden).

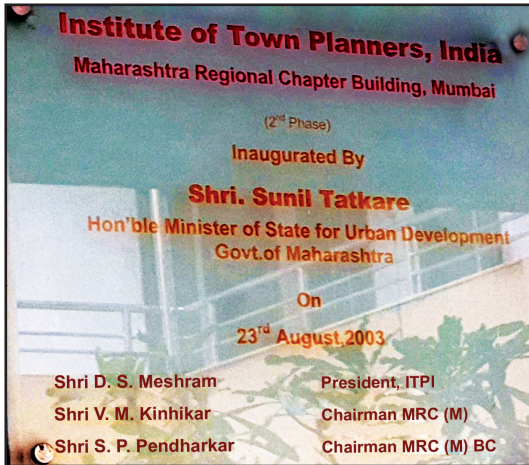

### Inauguration function of ITPI, MRC (Mumbai), April 2000

Raising funds for the building was a huge challenge, though the ITPI made substantial contribution by providing the liberal grant. Some funds even though very meager were also raised locally through the contribution of some members of MRC (M), toward construction of the building. Owing to paucity of funds it was decided to construct the building in phases. The first phase consisting of stilt, 2 office rooms, 2 guest rooms and a pantry was completed in April 2000. The building was inaugurated on the auspicious *Gudipadva* day, 5th April 2000, by Dr. Suresh Joshi, Principal Secretary, Urban Development Department of Government of Maharashtra. Prof. Dr. D. S. Meshram, the then President of ITPI, presided over the function.

In the next 3 years, the construction of the second phase of the building was completed. It added a large conference hall and 4 guest rooms. This phase was

inaugurated by Shri Sunil Tatkare, Honorable Minister of State for Urban Development, Government of Maharashtra on 23rd August 2003. Prof. Dr. D. S. Meshram, the then President, ITPI presided over the function. The MRC (M) organized its first West Zone Conference on this occasion. The Conference also helped raise part of funds for the construction of the building, however, Prof. Dr. D. S. Meshram, the then President of ITPI, provided generous grant from ITPI for completing this phase also.

With the completion of second phase of the building, the MRC (Mumbai) virtually had most of the facilities it needed for conducting its professional activities.

### Inauguration of building (Phase 2), October 2011

However, in the course of time it was realized that not using the full FSI was increasing the liability of balance premium to be paid to CIDCO in accordance with the terms of allotment of land. Moreover, non - completion of the third floor of the building was causing problems of leakages. Therefore, the final, third phase of the building, was taken up and it was completed in 2011. The building was inaugurated on 8th Oct 2011 by Shri Sagar Naik, Honorable Mayor of Navi Mumbai, Prof. Dr. D. S. Meshram, the then President, ITPI graced the occasion by presiding over the function. It needs to be mentioned that procurement of land and construction of MRC (M) building at Navi Mumbai would have not been possible but for the liberal grants of ITPI made available time to time by Prof. Dr. D. S. Meshram, President ITPI.

#### ITPI MRC (Mumbai) Building

In 2017, the MRC (Mumbai) undertook the refurbishment of its building to give it a new look in keeping with the current trends. The creation of the MRC (M)'s building and its constant upkeep has been possible by the generous and timely financial contribution of ITPI, provided by Dr. D. S. Meshram, President ITPI. In this direction the efforts of the local members of MRC (M) and the untiring efforts of Building Committee members of the MRC (M), notable among them are late Shri. Suresh Gogte, Shri M.S. Belekar, Shri. S.S. Hankare, Shri. S.P. Pendharkar, Shri. Anilkumar Sule, Shri. Suhas Gokhale, Shri. Rajesh Phadke, Shri. Ravindra Mankar, and most importantly Shri. Milind Patil, Vice President, ITPI and Shri. Jitendra L. Bhopale, Chairman MRC (M).

The total expenditure on the land and building incurred has been Rs.2.2 crore, mostly released by Institute of Town Planners, India, as grant.

# ITPI - MRC (MUMBAI), PUNE CENTRE

## 1. ORIGIN

For more than a century, Pune has been a seat of State - level Town Planning Administration. Pune also has been home to the Government College of Engineering, Pune which has been offering post graduate town planning education for more than five decades and recently also started under graduate program

in Town Planning. The importance of these two institutions is indisputable for the entire community of planners. In addition, the existence of the Pimpri-Chinchwad New Town Development Authority (PCNDTA) and newly setup Pune Metropolitan Region Development Authority have led to concentration of 223 members of ITPI comprising 15 Fellow Members and 208 Associate Members at Pune and surrounding area. Therefore, there was long-standing demand of the MRC (M) members located in Pune to establish Pune Centre of ITPI, MRC (M). The Council of the Institute of Town planners, India in the year 2013, approved the proposal to establish Center of MRC (M) at Pune, with the untiring efforts of Prof. Dr. D. S. Meshram.

## 2. OBJECTIVE

The basic objective of the Centre are:

- To promote general interest of those engaged in the practice of town planning profession;
- To foster the teaching of subjects related to Urban and Regional Planning;

### 3. PUNE CENTRE BUILDING

A plot of land bearing plot no. 1/1, sector 29, Village Ravet admeasuring 900 sq m was allotted to ITPI by Pimpri Chinchwad New Town Development Authority (PCNTDA) near Pune on 14<sup>th</sup> February, 2013 costing Rs. 54.18 Lakh. As MRC (M) was not having the funds Prof. Dr. D. S. Meshram and Shri K. S. Akode used their good offices for convincing the ITPI Council to release the liberal grant for the procurement of land for Pune Center. And accordingly the agreement of lease was executed on 12<sup>th</sup> April, 2013. The building plans were approved by PCNTDA on 30<sup>th</sup> July, 2013. However, the Executive Committee of MRC (M) was interested to construct the building in phases due to paucity of funds. But Shri K. S. Akode took a stand that building should be completed in single phase only and accordingly assisted in raising the funds through advertisements and sponsorships using his good offices, beside Prof. Dr. D. S. Meshram also assisted in this endeavor by releasing liberal grant of ITPI, HQ.

#### Foundation Stone laying Ceremony of Pune Centre on 25th August 2013

# IV URBAN MAHARASHTRA AT A GLANCE

*Class-wise Urban Local Bodies*

namely - Mumbai, Nagpur, Pune and Solapur. Aurangabad though not crossing the one lakh mark (50924 persons in 1941) was another important city.

One of the country's first town planning laws 'The Bombay Town Planning Act, 1915' was enacted for the then Bombay Province. The 1915-act enabled planned development through the mechanism of Town Planning Schemes (TPS) but had no provisions for a Development Plan or Master Plan. The country's first widely known planning effort known as a 'Master Plan' was the Outline Master Plan for Greater Bombay by Shri. Mayer and Shri. Modak prepared in 1948 which was not a statutory plan. It was based on incremental population growth and was outdated by 1953. The Bombay Town Planning Act, 1915 was then replaced by the Bombay Town Planning Act of 1954 which for the first time referred to the concept of "Development Plan"

## 1. BACKGROUND

The state of Maharashtra has been a pioneer state in urban planning and development. Since ancient times it has been a home to urban centres like Nashik, Pratishtan (Paithan), Devgiri, etc; which have been pilgrim centres, trading points or administrative places. By 1941, there were four cities with more than one lakh population in the geographical limits of current Maharashtra

as a legal entity. The Act came into force on 1st April 1957 (Development Plan Report for Greater Bombay). It was under this act that the first Development Plan (DP) of 1964 for Mumbai was prepared.

The state was pioneer in formulating regional plans as well. While the first DP of Mumbai was prepared under the 1954 act it was increasingly being felt that the solutions for Mumbai's planning problems were much beyond its Municipal limits. The then Board of Urban Development under the Chairmanship of Minister for Urban Development considered the question of Regional Planning for Maharashtra and constituted a committee under the chairmanship of Dr. D. R. Gadgil on 10th March 1965. The committee formulated broad principles of Regional Planning and made recommendations on formation of Metropolitan Authorities for preparing and executing such plans (Report of the Gadgil Committee, 1965).

In view of these recommendations the Bombay Act of 1954 was replaced by the Maharashtra Regional and Town Planning Act, 1966 which came into force from January 1967 (Report of the Regional plan for Bombay Region, 1971). Under the provisions of this Act the Bombay Metropolitan Region was notified on 8th June, 1967 and the Bombay Regional Planning Board was set up on 31st July 1967. The Board prepared the first regional plan for the Bombay Region for the period 1971-1991. Similarly, the Regional Planning Board for Pune prepared the Poona Regional Plan. The efforts of State of Maharashtra are therefore path-breaking in the field of regional planning as it resulted in the formulation of a comprehensive Town and Regional Planning Act, again one of its first kind in the country.

## **2. PLANNING DEPARTMENTS / AGENCIES / AUTHORITIES**

The various Agencies / Authorities / Departments responsible for planning and development are:

### **2.1 Town Planning and Valuation Department, Government of Maharashtra**

The Town Planning and Valuation Department of Maharashtra was established in 1914 and is one of the few such departments in the country to complete 100 years of existence. It has been preparing Development Plans for various towns and cities of the state. In the period from 1914 to 1962, the name of this department was 'Consulting Surveyor to Government', which has been renamed as 'Directorate of Town Planning and Valuation' (TP&VD) during 1962. Other than the areas under Regional Authorities,

the Department prepares Regional Plans for districts and other regions. As on date, all 36 districts of the State are covered by Regional Plans. In addition, Regional Plans have been prepared for Mahabaleshwar - Panchgani Eco-Sensitive Zone and Dahanu Eco-Sensitive Region. Presently, in the State of Maharashtra, there are 386 local authorities, including 27 municipalities, 17 'A' class Municipal Councils, 72 'B' class Municipal Councils, 144 'C' class Municipal Councils and 126 *Nagar Panchayats*. Out of these, Development Plans of all the local authorities have been approved by the Government at least once, except for the 122 new *Nagar Panchayat* and 16 Nagar Parishads. Apart from this, Development Plans have been prepared for some *Gram Panchayat* areas, for which the *Zilla Parishad* is the Planning Authority (Town Planning and Valuation Department website).

The TP&VD is headed by the Director of Town Planning supported by six Joint Directors for each division - Konkan, Pune, Nagpur, Amravati, Aurangabad and Nashik. Further each district is headed by, Assistant Director of Town Planning.

## 2.2 City and Industrial Development Corporation (CIDCO)

The Gadgil Committee and the Bombay Regional Plan 1971, recommended creation of new metro center across the creek by acquiring bulk land. There was no agency which could be entrusted with the work of such a complex nature of planning and developing a new city. The Government of Maharashtra therefore, created the City and Industrial Development Corporation (CIDCO) a public undertaking company on 17th March 1970 headed by an IAS officer and equipped with qualified urban planners, architects and engineers to plan and develop the new town then called as New Bombay. CIDCO was appointed as New Town Development Authority for developing New Bombay under the provisions of the MRTP Act in March 1971. The CIDCO continued as prime new city developer of the State by planning various new towns such as New Aurangabad, New Nashik, New Nanded, New Latur, New Jalna, Vasai-Virar, Chikhaldara Hill Station, Sindhudurg (Oras), Palghar, Khopta, NAINA in various capacities as NTDA or Special Planning Authority.

## 2.3 Mumbai Metropolitan Region Development Authority (MMRDA)

The Bombay Metropolitan Region Development Authority Act was passed in 1974 and accordingly the then Bombay Metropolitan Region Development Authority (BMRDA) was created on 26th January 1975. It was necessary to create such an authority to take ownership of the Regional Plan of 1971 prepared by the Regional Planning Board and implement it. The MMRDA prepares plans, formulates policies and programs, implements projects and helps in directing investments in the Region. The MMRDA

prepared its first Regional Plan in 1996 and the second in 2016. MMRDA is Special Planning Authority (SPA) for Bandra Kurla Complex, Wadala Notified Area, Oshiwara District Centre, Ambarnath-Kulgaon-Badlapur Special Notified Area, Gorai-Uttan-Manori Recreation Tourism Zone, Kalyan Growth Centre, Backbay Reclamation Scheme, Mumbai (Chhatrapati Shivaji) International Airport Notified Area (CSIANA), Grand Memorial of Bharatratna Dr. Babasaheb Ambedkar at India United Mill No. 6, Mumbai and Bhiwandi Surrounding Notified Area.

#### **2.4. Maharashtra Industrial Development Corporation (MIDC)**

Established in 1962, the Maharashtra Industrial Development Corporation (MIDC) is instrumental in developing industrial estates and has developed 289 industrial complexes so far. It is the nodal agency implementing the Delhi-Mumbai Industrial Corridor and has set up the Aurangabad Industrial Township Limited Company (a SPV between MIDC and DMICDC) for developing Aurangabad Industrial City (AURIC); a well-planned smart city as part of the DMIC. The MIDC is the Special Planning Authority for all industrial areas developed by it.

#### **2.5 Maharashtra State Road Development Corporation (MSRDC)**

Established in 1996, the Maharashtra State Road Development Corporation has been appointed as a Special Planning Authority on 17th February 2016 for 71 villages along the Mumbai Pune Expressway covering an area of about 187 sq km. The MSRDC has also been appointed as Planning and Development Authority for 17 towns along the Mumbai-Nagpur Expressway and Special Planning Authority (SPA) for New Mahabaleshwar.

#### **2.6 Maharashtra Airport Development Company Limited (MADC)**

Established in the year 2002, Maharashtra Airport Development Company Limited (MADC) is developing Multi-modal International Hub Airport at Nagpur (MIHAN) as SPA and Aviation Infrastructure in the State of Maharashtra to provide the regional air connectivity. Along with developing airports at Shirdi, Solapur, Amravati, Karad, Purandar (Pune), Dhule and Chandrapur, the MADC is also planning the areas around these airports.

#### **2.7 Establishment of Authorities for Certain Areas**

In 2016, the government enacted the Maharashtra Metropolitan Region Authorities Act, 2016 to provide for the establishment of the Authorities for certain areas

declared as Metropolitan Areas under Maharashtra Metropolitan Planning Committee Act, 1999, for the purposes of coordinating and supervising the proper, orderly and rapid development of the areas in such Region and executing plans, projects and schemes for such development. Accordingly, regional development authorities have been constituted for Pune, Nagpur, Nashik and Kolhapur.

## 2.8 Other Town Planning Authorities

In addition, the Government has appointed the Maharashtra Housing and Area Development Authority (MHADA) as Special Planning Authority (SPA) for Chandrapur, Solapur and Dharavi and the Mumbai Port Trust as SPA for an area of about 966 ha under its jurisdiction. Government of Maharashtra in the year 2015 appointed Maharashtra Maritime Board as SPA for Jaigad Port Area in Ratnagiri District. The Jawaharlal Nehru Port Trust (JNPT) is appointed as SPA for the SEZ being developed by JNPT.

## 2.9 Private Sector Participation

The Government of Maharashtra has come up with policies to promote private sector initiatives in urban development. The idea behind these policies is to reduce pressure on existing urban settlements and create new housing stock and complement the Government initiatives some of the examples are as follows:

**Integrated Township Projects:** (formerly Special Township Projects), 2005: The Government can notify any suitable contiguous area not less than 100 acres for development of Integrated Township. The developer intending to develop such township will have to purchase the land through negotiations from the owners, and in most cases land is purchased at the market value.

**Development of Tourist Resorts / Holiday Homes / Townships in Hill Station Type Areas, 1996:** In order to decongest the existing hill stations by developing new hill stations through private sector participation, the Government of Maharashtra issued these regulations. The Government can declare any suitable area as hill station. Land in the declared area has to be purchased by the developer. There are no Government interventions for land acquisition.

**Special Economic Zones:** Special Economic Zones (SEZ) are set up under the SEZ Policy of April 2001 of the Ministry of Commerce and Industries of the Government of India and SEZ Act 2005. The State Governments can acquire lands for development of SEZ.

## 2.10 Town Planning Schemes

The Government modified the MRTTP Act in 2014 to facilitate easy preparation and implementation of Town Planning Schemes (TPS) in the State. Accordingly, TPS are being undertaken for implementation of the Interim Development Plan for Navi Mumbai Airport Influence Notified Area (NAINA), PMRDA Plan and revised Nagpur Development Plan.
